

Ryan Pfeiffer

Area Senior Vice President

Kansas City, MO

Joined Gallagher in 2002

Started in Insurance in 2001

Ryan Pfeiffer works directly with clients with a focus on providing proactive risk solutions and strategies for sophisticated organizations that lack the resources of true internal risk management experts. He designs creative insurance solutions and manages client relationships to ensure top-level service. Ryan is responsible for the day-to-day primary oversight of the client's program, including coordination of client/carrier/broker services, claims, loss control, contractual, and coverage needs.

Ryan began his insurance career in 2001 as member of Gallagher's Summer Internship Program. He became a full-time employee in 2002. Ryan qualified for Gallagher's annual meeting based on growth of business from 2007-2016 and sits on the board of Great American Insurance Company and Avant Brokerage Agency Council.

Ryan received a bachelor's degree from the University of Kansas. He was the recipient of the 40 under 40 Award presented by *Business Insurance* magazine in 2015.
